PRICING POLICY CHANGE

We consider ourselves to have the best designed products, largest solid color and print selection, best service, lowest shipping charges, and best WHOLESale pricing in the event industry. Unlike our competition, our WHOLESale pricing does not require a minimum dollar value in order to get a discount, nor does it require an annual volume commitment; it starts with the very first form-fitted chair cover or table form linen HUG™.

In order to take advantage of our excellent wholesale pricing, you must confirm your order a **MINIMUM** of 14 days in advance. Minor changes to the orders are acceptable, without penalty, until the day we ship, which is usually 4 days prior to the event, depending on your location.

Exceptions **MAY** be made for requests that can be filled with local inventory.

Wholesale pricing X 1.5

Wholesale pricing X 2

For our Clients who order early, we encourage you to continue that practice and enjoy the benefits and savings of our industry leading pricing and service. For those Clients not in that category, we hope this gives you incentive to order earlier, and information to provide to your Clients that have difficulties in making timely decisions. We thank you for your business and we look forward to serving your rental needs, both short and long term.
